5. Berikut contoh artikel yang sudah di upload

The screenshot shows the Grammarly Premium web interface. On the left is a dark sidebar with icons for home, document, download, edit, search, and a help icon. The main area displays a document titled "Demo document" with the following text:

Remember when you were a careless eight year old kid riding a bike with your friends, racing each other around the neighborhood? Remember that feeling of absolute freedom as you felt the wind in your hair and the smile it put on your face? I never thought I would feel that way as a grown up, until my friends presented me a red brand-new bike. At first, I was a bit skeptical about the total idea of commuting by bike. One morning a couple of days later, I changed completely my mind. I was stuck at a traffic jam and saw in my rear mirror a man in a suit riding a classy bike with his laptop case in one hand and a handlebar in the other. I figured out it would take him about 15 minutes to get to the office while I was still sitting in my car and waiting for the cars in line ahead to move, even if just for a inch. I was always very afraid of being late for my business meetings.

On the right side, a list of detected issues is shown, each with a red underline in the text and a green suggestion:

- eight-year-old → eight-year-old
- , racing
- grown-up → grown-up
- up/
- , until
- a red brand-new → a brand-new red
- , I
- Unusual word pair
- , I
- Incorrect adverb placement

At the bottom of the interface, it shows "45 CRITICAL ISSUES" and "17 ADVANCED ISSUES". A "SCORE: 33" is displayed in a green circle. The status bar at the very bottom shows the time as 23:20 on 05/04/2018.

Tanda merah (garis bawah) adalah file yang perlu diperbaiki) merah kanan adalah fiel yang perlu diperbaiki. Tinggal klik hijaunya, maka akan diperbaiki oleh softwarenya.

This close-up shows the "Incorrect adverb placement" issue highlighted in red. Below it, the "SCORE: 33" is shown in a green circle. The status bar at the bottom indicates "45 CRITICAL ISSUES" and "17 ADVANCED ISSUES".

Ada catatan dibawah tentang jumlah critical issue dan advance issue.. semakin sedikit critical issue dan advanced issue, maka akan semakin baik. Berikut disertakan score nya
