Chemical Engineering: An Industrial Outlook

Jaydip Datta

In this review special highlights taken under day to day operation of chemical process industries, safety aspects like fire hazards and explosion (DOW – F & E index) , and processing aspects of Pharma industries like tablet , capsule , ointment , parenterals , basic drugs , cosmetics and other pharmaceuticals / formulations with machines used for mfg .

Keywords : Chemical Process Operations , Safety (DOW index) ,

Pharmaceuticals . Discussion Review: At a glance –
