The IDEAS RePEc data tables for January 2022 shows that the top five economics research institutions in Vietnam are:

- 1) University of Economics Ho Chi Minh City;
- 2) Centre for Interdisciplinary Social Research, Phenikaa University;
- 3) Mekong Development Research Institute;
- 4) Department of Social Sciences, Economics and Management, International School, Vietnam National University; and,
- 5) Foreign Trade University.

The top five institutions in the list remain unchanged from the last month, except for a bit of reshuffle within the group. In this monthly ranking, the Centre for Interdisciplinary Social Research (ISR) and Mekong Development Research Institute have swapped their places over the first month of 2022.

The next pages show the full lists of the top 25% of Vietnamese institutions and authors extracted from the RePEc database as of January 2022.
