The screenshot shows a web browser window displaying the STATCAL website. At the top, there is a navigation bar with links to Home, Apps, YouTube, Maps, News, Translate, and Gmail. Below the navigation bar is a large map of Indonesia with various regions labeled and numbered in parentheses: Lampung (2), Banten (10), West Java (89), Jakarta (15), Central Java (11), Yogyakarta (5), East Java (17), Bali (4), West Nusa Tenggara (3), East Nusa Tenggara (0), South Kalimantan (1), Sulawesi (1), Southeast Sulawesi (9), Maluku (11), and Papua (10). The website is from Janah Nusantara, as indicated by the URL JanahNusantara.com. Below the map, there is a red button that says "Download STATCAL [Updated: September/10/2019] (272 MB)". Underneath this button, the text reads "Pedoman Dasar Mengolah Data dengan STATCAL [Updated: September/10/2019]" and "Contributor: Prana Uglana Gio & Rezzy Eko Caraka". A large blue heading states "STATCAL Version September/10/2019 Has Been Updated:". Below this heading, there is a list of four updates: 1. Path Analysis Using Lavaan Package is Available (Download), 2. Repeated-Measures ANOVA and Friedman Test is Available, 3. Correlation Matrix is Available, and 4. Improvement in menu Association between Categorical Variable.

Langkah VIII

This screenshot is similar to the one in Langkah VII, but it includes an additional form. Below the "Download STATCAL" button, there is a section titled "Are You STATCAL's User?" with a label "Your Email:" and a text input field. A "Submit" button is located below the input field. The rest of the page content, including the map, website name, and update announcement, is identical to the previous screenshot.
