[polycystic ovaries in pre- and postmenopausal women](#)

Information needed - can you help?

Hello, I am doing a research on polycystic ovaries, a prevalence studies. I need this to help with my literature review. It is difficult accessing articles and most are expensive for someone in developing country like mine. Will be glad if I get this. Thank you

Dear [REDACTED]

We know you're busy, but we wanted to reach out to let you know that [REDACTED], is still unable to access your article "[REDACTED]". We'd love to help increase your article's impact and readership by making it accessible to everyone.

Many researchers are unsure if they can legally share a copy of their articles. We have good news! All major publishers permit either archiving the submitted or accepted version to a repository. You can check your journal policies in [SHERPA/RoMEO](#).

You can make your article publicly available by providing a URL here to a copy in a repository [https://openaccessbutton.org/response/\[REDACTED\]](https://openaccessbutton.org/response/[REDACTED]). You can also reply with an attached copy of the article and we'll upload it to Zenodo on your behalf.

Let us know if you have any questions!

Kind Regards,
Natalia
