OPEN EUROPEAN ACADEMY OF PUBLIC SCIENCES OU (Estonia, European Union)

Event materials WCBFM-2020 Berlin, Germany. The Congress was held on January 5-7, 2020 and was dedicated to discussing the latest trends in business and financial management. WCBFM is a place of interaction between business people, financial experts, investors and stakeholders, where they meet, come together and discuss current industry trends and create business associations. The congress is aimed at the possibility of cooperation between the main researchers in business in order to give an idea of trading ideas and their application.

In WCBFM, the thematic area is mainly focused on financial management, economics and business, which include government, political science, etc. The aim of the congress is to bring together leading academics, politicians, businessmen, independent scientists and researchers to share their knowledge, new ideas, as well as discuss future development in these areas. WCBFM provides an opportunity for young researchers, academics and practitioners with interdisciplinary interests related to financial management, economics and business to meet and chat with members inside and outside their own disciplines.
